**Attachments:** June 2020 update.docx

Sorry for the delay. Attached is way more than you expected, I'm sure. I thought we could send out something more detailed. Once we have a template, we can just update it each quarter... What do you think (be honest 😊). Also, we'll have to rename it for July rather than June.

Hello Jennifer:

Hope you had a nice weekend. Did you had a chance to look at this?

Jesse

Hi Jesse. I am going to take today off (last minute decision). I will send you my suggestions on this tomorrow first thing...

Have a great day,

-jc

Draft message for your review.

--==--==--==--

Hello:

This is the quarterly update of activities at the Vasquez Boulevard and I-70 Superfund site.

## OU1

- Deleted.

## OU2

- Denver submitted a draft scope for the remedial investigation. EPA is reviewing the document.

## OU3

- EPA is preparing a contract to perform the feasibility study.

## Sitewide

- Next five year review is in 2024.
- EPA is reviewing the draft Community Involvement Plan

If you have question you can send a message to:
